# Interested in advancing your clinical skills?

UBC's Graduate Certificate in Orthopaedic Musculoskeletal Physical Therapy (GCOMPT) offers specialized, hands-on training for physiotherapists.

The flexible two-year GCOMPT program is designed and taught utilizing a multimodal evidence-based approach by experienced and motivated physiotherapists with a passion for treating musculoskeletal conditions.

## Key features of the program include:

- Taught by renowned clinicians and instructors
- Part-time schedule that allows you to continue working
- In-class sessions feature a maximum of 12 learners per instructor
- Flexible mentorship with an approved FCAMPT therapist of your choice

Please send your inquiries to **[GCOMPT.admin@ubc.ca](mailto:GCOMPT.admin@ubc.ca)**
