New opportunity for a CLINIC MANAGER at CBI Health Centre - Tsawwassen!
We’re looking for a clinician with leadership experience and great organization skills to fulfill this role. The position will be split between management duties and clinical caseload.

Our ideal candidate (preferably a Physiotherapist) will also come with additional clinical skills such as IMS, Acupuncture, or Vestibular Rehabilitation. We may also consider an Occupational Therapist for the role and incorporate this service into our operations.

We’re looking for someone who thrives on new challenges, is a leader that is excited about building a vision by inspiring others and developing talent, possesses the ability to build relationships and rapport effortlessly, and is a problem-solver who can execute decisions. You must be eligible to practice in British Columbia to be considered.

**About our Clinic/Community:**

CBI Tsawwassen offers a unique employment opportunity to work alongside 4 other health care professionals on site. We offer services ranging from acupuncture/IMS, pain management rehabilitation, vestibular rehabilitation, concussion, and physiotherapy. We’re looking for a clinician who is passionate about continuing to build their career within our community.

Tsawwassen is a suburban, mostly residential community located in the Municipality of Delta, BC. As the location of the BC Ferries’ Tsawwassen Ferry Terminal, Tsawwassen provides easy access from the Lower Mainland to Vancouver Island, The Gulf Island, and Nanaimo.

During winter months, Tsawwassen is less than an hour drive from the North Shore of Vancouver, where there are three major centres (Cypress Mountain, Grouse Mountain, and Mount Seymour) for skiing, snowshoeing, snowboarding, and other outdoor activities.

In the summer, cool down at one of Delta’s outdoor parks. **Splashdown Water Park, Diefenbaker Park, Annieville Lions Park and Memorial Park** are just a few options. Other selections include visiting **Centennial Beach** at **Boundary Bay** which features warm, shallow ocean waters and great biking on a 20.4 KM bike trail.

**How to Apply:**

If you, or someone you know, are interested in this position, please send a resume and cover letter to bccareers@cbi.ca. Please note that only those who will be selected for an interview will be contacted.
